CLARITY™ 365 SERIES

LED UV-A Inspection Flashlights

SPECTRO-UV®

The **CLARITY™ 365 Series** is the highest quality, longest running, COMPLIANT LED UV-A flashlight in the world! The IP68-rating means that it can withstand continuous immersion in one meter of water, making it ideal for rough environments. The **9-hour battery life** is enough for a full work shift, making it the longest-running NDT flashlight on the market. Standing up to strict NDT standards, this product provides all of the top features including an induction charging base (lithium-ion versions).
